What is Memphis *Know Now. Live Longer.* World AIDS Sunday?

Memphis *Know Now. Live Longer.* World AIDS Sunday is Dec. 1, 2013, celebrated on the international observance of World AIDS Day, to raise awareness in the faith community about the Mid-South's HIV/AIDS crisis and to promote the resources available for individuals and families affected by HIV/AIDS.

Mid-South faith leaders will show their commitment to raising awareness about the Memphis area's HIV crisis by leading a *Know Now. Live Longer.* World AIDS Sunday event in their places of worship.

How can my place of worship participate?
